Adopt A Band Student

Dear

As a member of the award-winning Oak Mountain High School Band, I am proud to be part of something incredibly special. Since our school opened in 1999, our bands have consistently received superior ratings. In fact, our program enjoys a tradition of excellence that has resulted in some judges and university directors calling this band program one of the finest in the country! It is a privilege to participate in such an outstanding program.

We will spend the next few months perfecting our marching band show and performing at Oak Mountain's Friday night football games, as well as preparing for our concert performances and competitions. We are very fortunate to have tremendous support, including parent volunteers who spend unbelievable hours assisting our program. Each student makes a contribution of \$750 to help defray the enormous cost of running our band program, which includes maintaining equipment and uniforms. But we can't do it without your help, and this is where you come in: I would like you to become a sponsor in our **"Adopt A Band Student Program"** by contributing to the future of this dynamic organization.

Your financial help in raising some of my \$750 band fees for the 2018-19 year would be sincerely appreciated. I will do the marching, the practicing, and the performing. You can help by donating funds so that I can reach my goal. No amount is too small! \$75 is 10% of my goal, \$150 is 20%.

Here is how to help:

- Make a check payable to **Oak Mountain High School Band**. Be sure to put my name in the memo field so the School and Booster treasurers can track your donation and place it into my band account.
- You can either return the donation to me so that I can deliver it to the band office or send it directly to the above address.

Thank you for considering my request, and I hope you'll have a chance to see our 2018 halftime show, "A Rock Rhapsody" on a Friday night this fall, or attend one of our concerts in the Oak Mountain High School Performing Arts Center. I'd love to see you there!
